

Title of project

B1 Project acronym: Lorem ipsum

Table of contents

| | |
|--|---|
| Project summary | 2 |
| Background and “state of the art” | 2 |
| Description of the project | |
| a) Aim, objectives and hypotheses..... | 2 |
| b) Scientific description of methods & work plan | 2 |
| c) Expected results and their impact/application..... | 2 |
| d) Description of novelty in methods or development opportunities | 2 |
| e) Dissemination plan and/or exploitation of results..... | 2 |
| f) Description and definition of potential risks to the implementation and success of the project | 2 |
| Statement describing how the proposal fits to the call topic | 3 |
| Statement describing how/why the proposal has a clear added value by being carried out on a transnational basis..... | 3 |
| Statement describing mobility/training opportunities | 3 |
| Statement describing the societal and ethical aspects | 3 |
| References used for the project description | 3 |
| Declaration of parallel submissions..... | 3 |
| Justification of changes since preregistration | 3 |

Please refer to the Guidelines for Applicants for in-depth descriptions of what the content of the different elements of the project description should be.

Delete the comments in parentheses below each headline before handing in the proposal.

Delete all Lorem ipsum as they are only there to show which font and format should be used when filling out the elements.

Delete this paragraph before handing in the proposal.

B2 Project summary

(Approximately 0.5 page in total)

B3 Background and “state of the art”

(including preliminary results - Approximately 1.5 pages in total)

B4 Description of the project

(max. 18 pages in total)

a) Aim, objectives and hypotheses

Lorem ipsum

b) Scientific description of methods & work plan

(Including work packages, description of deliverables, milestones, and timetable (with responsible work package/partners and deliverables, optionally in a Gantt chart))

- i. Scientific description of the project – project structure, work packages
- ii. Methodology description
- iii. Work plan, deliverables and milestones

Lorem ipsum

c) Expected results and their impact/application

Lorem ipsum

d) Description of novelty in methods or development opportunities

Lorem ipsum

e) Dissemination plan and/or exploitation of results

Lorem ipsum

f) Description and definition of potential risks to the implementation and success of the project

(E.g. in research methods, case studies, stakeholder involvement – describe how the chances for success are maximised, and include a contingency plan)

Lorem ipsum

B5 Statement describing how the proposal fits to the call topic

(including identification of the added value/complementarity of the proposed research to previous or on-going projects, relevance for the addressed sector(s) - Maximum 1 page)

Lorem ipsum

B6 Statement describing how/why the proposal has a clear added value by being carried out on a transnational basis

(Maximum 0.5 page)

Lorem ipsum

B7 Statement describing mobility/training opportunities

(Maximum 0.5 page)

B8 Statement describing the societal and ethical aspects

(Maximum 0.5 page)

B9 References used for the project description

(Maximum 30 references – please use the following format: Surname, A., Surname, B., Surname, C. (Year):
Title of paper, Journal, Volume, Pages)

Lorem ipsum

B10 Declaration of parallel submissions

(Duplication of funding is not allowed for the same (whole or part) research project)

B11 Justification of changes since preregistration

(Maximum 1 page)
